## REPORT TO THE PRESIDENT

The PRESIDENT,  
*The White House.*

SIR: This is a report on the procedure followed by the National Recovery Administration in approving an amendment to the Code of Fair Competition for the Leather and Woolen Knit Glove Industry, as approved on November 4, 1933, which empowers the Code Authority to assess members of the Industry in order to obtain funds for purposes of Code Administration. This amendment carries out the purposes of your Order of April 14, 1934.

The amendment was submitted by the Leather and Woolen Knit Glove Code Authority on behalf of the Leather and Woolen Knit Glove Industry on June 22, 1934. A Notice of Opportunity to Be Heard on the amendment, as proposed by the Code Authority, was subsequently issued, and an adequate opportunity was given all interested parties to voice their objections to the approval of this amendment. No objections, however, were filed with the Deputy Administrator.

The Deputy Administrator in his final report to me on this amendment to said Code, having found as herein set forth and on the basis of all the proceedings in this matter:

I find that:

(a) The amendment to said Code and the Code as amended are well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act including the removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof, and will provide for the general welfare by promoting the organization of industry for the purpose of cooperative action among trade groups, by inducing and maintaining united action of labor and management under adequate governmental sanction and supervisions, by eliminating unfair competitive practices, by promoting the fullest possible utilization of the present productive capacity of industries, by avoiding undue restriction of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through increasing purchasing power, by reducing and relieving unemployment, by improving standards of labor, and by otherwise rehabilitating Industry.

(b) The Code as amended complies in all respects with the pertinent provisions of said Title of said Act, including without limitation subsection (a) of Section 3, subsection (a) of Section 7 and subsection (b) of Section 10 thereof.

(c) The Code empowers the Code Authority to present the afore-said amendment on behalf of the Industry as a whole.

(d) The amendment and the Code as amended are not designed to and will not permit monopolies or monopolistic practices.

(e) The amendment and the Code as amended are not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

(f) Those engaged in other steps of the economic process have not been deprived of the right to be heard prior to approval of said amendment.

For these reasons, this amendment has been approved.

Respectfully,

HUGH S. JOHNSON.  
*Administrator.*

SEPTEMBER 5, 1934.

## AMENDMENT TO THE CODE OF FAIR COMPETITION FOR THE LEATHER AND WOOLEN KNIT GLOVE INDUSTRY

Amend Article VI by deleting therefrom subsection (f) of Section 2 and substitute in lieu thereof Sections 5, 6 and 7 to read as follows:

SECTION 5. It being found necessary, in order to support the administration of this code and to maintain the standards of fair competition established hereunder and to effectuate the policy of the Act, the Code Authority is authorized:

(a) To incur such reasonable obligations as are necessary and proper for the foregoing purposes and to meet such obligations out of funds which may be raised as hereinafter provided and which shall be held in trust for the purposes of the Code;

(b) To submit to the Administrator for his approval, subject to such notice and opportunity to be heard as he may deem necessary, (1) an itemized budget of its estimated expenses for the foregoing purposes, and (2) an equitable basis upon which the funds necessary to support such a budget shall be contributed by members of the industry;

(c) After such budget and basis of contribution have been approved by the Administrator, to determine and obtain equitable contributions as above set forth by all such members of the industry, and to that end, if necessary, to institute legal proceedings therefor in its own name.

SECTION 6. Each member of the industry shall pay his or its equitable contribution to the expenses of the maintenance of the Code Authority, determined as hereinabove provided, and subject to rules and regulations pertaining thereto issued by the Administrator. Only members of the Industry complying with the code and contributing to the expense of its administration as provided, (unless duly exempted from making such contributions,) shall be entitled to participate in the selection of the members of the Code Authority or to receive the benefit of its voluntary activities.

SECTION 7. The Code Authority shall neither incur nor pay any obligations substantially in excess of the amount thereof as estimated in its approved budget, and shall in no event exceed the total amount contained in the approved budget, except upon approval of the Administrator; and no subsequent budget shall contain any deficiency item for expenditures in excess of prior budget estimates except those which the Administrator shall have so approved.
